# ALTE VERSTEIGERUNGSHALLE

Not far from the city centre nor the exhibition grounds in the south of Cologne, the ALTE VERSTEIGERUNGSHALLE (old auction house) is located in the middle of the main night markets for produce wholesalers. Two event spaces are available for hire: the charming 'Kontor' with its 4 metre high ceilings, old parquet flooring and many chandeliers – and the former auction house itself with its unique architecture, warm colours and noble ambience. A simple matter of opening the roller door, the partially covered outside area and the paved market space in front of the building can also be used if required. The location has no neighbours to speak of so parties can continue into the wee small hours without disturbing anyone.
